Dear Parent or Guardian,

Your child, _____, has demonstrated problems with his attendance and/or classroom behavior. It has gotten to a point where he is disrupting the learning environment in many of his classes. As a result we are putting your child on a contract. Many teachers have said that there are signs of improvement, but there is still major concern about his disruptive behavior.

Your child must do a daily progress report and show major signs of improvement. The progress report will include attendance, behavior, and academic progress (see attached). Failure to turn this progress report in daily or continued disruptive behavior will result in:

In-House detention
Suspension
Reducing your child to half day status
Dropped from School

We believe that your child can succeed, but we must see steps towards this achievement immediately.
